

nezal
Herbocare Pvt. Ltd.

God created all the beautiful things in the world, including us. But what did we give back in return? Pollution, Contamination, Artificial Chemical products... and many such unnatural elements that cause disease and harm nature. We at Nezal Herbocare are endeavoring to offer you products that are natural, chemical free and within you. Enjoy the essence that has been created only for you. Come let us jointly unveil the mysteries that lie within Nature

Our soaps are made from 100% natural and vegetable products like Shea Butter, Cocoa Butter, Aloe Vera, Olive Oil, Pure Milk, Turmeric, Aroma therapy Oils, Natural Herbal Scrubs and the list goes on. We can also add the ingredients of your preference as our expertise lie in custom-made handcrafted soaps. Also, our soaps are manufactured from our own base material unlike other soap manufacturers who source their base from other domestic suppliers or developing countries, thus we ensure guarantee of purity. We excel in manufacturing of the base raw material for transparent soaps.

Nezal Herbo Care was started about 8 Years back by Mrs. Hutoxi Jilla a entrepreneur who started making soaps from her kitchen. The passion was slowly and steadily taken to its next step where by a minor commrcial activity began in the shape of a small scale mfg unit located at Goregaon west from where some valued commercial clients joined us to help us market our 100%Vegetarian soaps.

The venture was taken to the next step by forming a pvt ltd company with financial and technical directors being added in the form of Mr. Ketan Shah and Sandeep Agrawal and the factory was shifted to Gujarat where along with the soaps a complete range of liquid cosmetic products like shampoos, conditioners and shower gels etc. were added.

Redefining **LIFE** the **NATURES** way

ROCK SOAP

nezal
Herbocare Pvt. Ltd.

Peppermint & Cucumber

A perfect blend which cools the skin. Peppermint oil cools the skin as you bathe and cucumber oil extracts the unwanted extra heat from your skin. Peppermint oil has properties of mild antiseptic nature which helps in reducing acne and pimples on your skin.
